Build an outhouse with wood, put in a toilet seat & roll

of toilet paper, mount it on skis and be the first team to PUSH the finish line to WIN!

Sign up your 5-person team now!

This is a wonderful opportunity to use your creative side to develop an outhouse theme. Spend a little time on the internet for ideas. Decorate to taste (PG rating).

Outhouses may be built of solid wood and material that produces a structurally sound building on skis. Any Outhouse deemed unsound or unsafe by the race committee, will not be allowed to race.

The race course will be a two lane course with 2 teams racing each other down to the finish line. Time will be kept with a stop watch. Winners of each race in the first round will go on to finals. Sign up and challenge other people to the race!

Top 3 finishers will receive a special trophy.

Can't haul your racer to Quartz Lake?

Drop it off at Outdoor Recreation, Building 627 by March 2, and we will transport it to Quartz Lake for you! Racers will be brought back to Outdoor Recreation for pick up soon after the race.
