

Get Ready for an Unforgettable Summer!

Hello Youth Center Families,

Summer is just around the corner, and we're planning a season packed with fun, learning, and adventure for our youth!

A World of Discovery

This summer, we'll be exploring diverse cultures from around the globe through exciting food, games, and art projects. We believe our community's greatest strength is its diversity, and we would be honored if you would share your heritage with us. If you have a special family recipe or would like to lead a cooking session with our youth, please let us know. We would love to have you!

Giving Back to Our Community

We are excited to organize several community service projects throughout the summer. Do you have an idea for a meaningful project our youth can tackle? We are open to all suggestions and would love to hear your thoughts on how we can make a positive impact together.

Exciting Weekly Field Trips

Get ready for adventure! We have field trips scheduled every week, with our biggest outings happening on Fridays. Tuesdays will be for local fun, including trips to the pool, gym, or the archery range.

We're also partnering with Outdoor Recreation (ODR) to plan even more exciting activities!

Some of the major trips we have in the works include:

- Gold Panners Baseball Game
- Planetarium Visit
- Tanana Valley State Fair & Deltana Fair
- Laser Tag
- Disc Golf
- Rock Climbing
- Fishing & Kayaking
- Swimming at Fort Wainwright
- Berry Picking

Please Note: Trips are primarily located in the Delta Junction or Fairbanks areas. All dates, times, and activities are subject to change. While we strive to keep costs low, some trips may require a small fee.

Transportation will always be provided.
